## Laurae K. Coburn Joins UCS as Outpatient Clinician

Bennington and Manchester, VT—United Counseling Service (UCS) has appointed Dr. Laurae K. Coburn, of Arlington, as a clinician in the Outpatient Mental Health and Substance Abuse program. Dr. Coburn brings excellent clinical training to a strong team of family and individual counselors at UCS.

“We think that Laurae is a valuable addition to our team because of her wide experience providing a range of mental health and substance abuse counseling,” said UCS Outpatient Mental Health and Substance Abuse Director David O'Brien. “Laurae has an impressive background.”

Since 2007, Coburn has worked part time counseling at Southern Vermont College and at UCS. Over the past five years, she has also been assistant professor and director of the Professional School Counseling Program at Sage Graduate School in Troy, NY.

“I am thrilled to be more involved with the agency,” said Laurae. “I believe that UCS provides outstanding services to the community and I feel blessed to be a part of the outpatient team.”

Coburn received her Ph.D. from Ohio University and is an adjunct faculty member at the University of Vermont. She was previously a faculty member at The Ohio University and University of Dayton. She also worked for five years as a middle school counselor and as a college campus counselor for Ohio University.

United Counseling Service serves children, adults, families, and seniors through nationally recognized counseling, early care and education, and clinical support. Visit [www.ucsvt.org](http://www.ucsvt.org) for more information.
